Unlimited Summer

Ready to up your technique this summer?? Unlimited Summer gets you an all access pass to our entire punch card class schedule including all workshops/mini series.

Unlimited does not apply to our Shining Stars 6 week session or Themed Camps. Dancer may take any classes in their approved level or any level below. Unlimited summer is split into 2 equal payments- \$340 charged on June 1 and \$340 on July 1. This is a great option for dancers who will be putting in lots of hours this summer. (Value of classes is well over \$2300)
